## MEMBER NEWS

*Welcome Members firstly thankyou to all Members who have returned this year to our great club and a big Hello to all our new members who have joined this year.*

*Although our club has a Bistro our bowls section of the club is still very much a Volunteer club and we urgently need members to step up and commit a few hours to help with running stuff around the club, this maybe around the grounds or Barefoot bowls, if we resort to using paid staff for these Jobs we would see a large increase in our membership fees so please the Board asks you commit to helping just a little, please see Russell Grey or John Thompson who will help coordinate our band of helpers*

## PEKISH

*Our Bistro Pekish have a great Menu and are open 7 day a week for Lunch and Diner come down grab a drink and some food in lovely surroundings, Look out for their specials each night or their small bite menu for that quick snack while playing bowls.*
